

I used the force...

8th birthday cake, complete.

#mummywin

#nextyearimbuyingone

Thank chuff for that.

2 gin and tonics drunk in celebration (and because I'm stalling wanting to clean up the hell hole which is now my kitchen. Black icing is a bugger...I look like I've been up the chimneys).

Birthday boy had better appreciate this on Sunday or he's going to be sleeping out in the garden...
