

[Big Pink Link #66](#)

It's time for the #bigpinklink again folks!

Another week has flown by and we are now just 4 weeks away from the Summer Holidays! Eek!

Excitement and apprehension fill me at the same time – and I am currently stock piling Gin in preparation.

4 more weeks of not having a complete hovel as a house, 4 more weeks of not playing referee to three ferrel children for 6 weeks solid, 4 more weeks of sneakily watching some trash TV whilst I clean the house.

So without further ado, onto the WOW's!

The first wow chosen by the baking goddess that is Kirsty who blogs over at [Winnettes](#) is by the very talented, [Tooting Mama](#).

Kirsty said; “I loved this post by Tooting Mama. I think whatever our shape or body type we all have insecurities, things we would change. Whilst I think it is relatively healthy to want to better yourself with diet and exercise I refuse to allow the media dictate the ‘perfect ’body shape. This has become an even bigger concern for me now I have two daughters. The women discussed in this post really are inspirational”.

The second wow chosen by Kirsty is by Cheryl who writes over at [Tea or Wine](#).

Kirsty said; “This post by Cheryl of Tea or Wine really struck a cord with me. Ellie starts school this year and whilst she hasn't displayed any real adverse behaviour I know she is anxious about it. Taking a step back and thinking about why school is scary for the kids as well as us parents is so

important”.

The first wow by the beautiful Lou from [Pink Pear Bear](#) is by the beautiful and heartwrenching [Postcards for Findlay](#).

Lou said; “My first WOW is for Postcards from Findlay with an absolutely heartbreaking story. Their beautiful photos will always be missing one person”.

The second wow from Lou is this one by [Burnished Chaos](#) .

Lou said; “Finding the positives in the end of precious precious nap times. It’s not all bad folks!”

Help yourselves to a featured post badge you super folks and take a bow!
