Britmums Daily Photo Challenge – Day 14: Stripes

Here is my littlest dude yesterday morning. We had a slobby one until 9:30am and, whilst my husband tried to listen to George Osbourne talking about the budget on the Andrew Marr Show, this little chap was doing everything in his power to get Daddy's attention.

This attention seeking eventually manifested itself in contemporary dance to some music coming from one of his toys...and gurning.

(Excuse my husbands manky foot...and his Spider-Man Pj bottoms! ☐☐☐)

So there he is, prancing away, half-dressed in his pj bottoms covered in #stripes, pulling one of his many wonderful faces. Kids. They're so brilliantly random.

Isn't he gorgeous...ahem.
