

#capturingtheday – Week 2

Roundup

Crikey, where did that week go?! I think I blinked and missed it...

I'm currently abstaining from alcohol for Dry September (for [Children with Cancer UK](#)) and I'm not ashamed to admit that I hit a point this when I could've murdered a G&T. I didn't do it though, I had an appletizer as a treat (so rock and roll!) and I'm pushing on towards that finish line at the end of the month. You'll find me in the corner of a room with a gin bottle on the 1st October ☐

Anyhow, enough about me, we want to know what all of you have been up to!

It's the end of our second week for our Instagram community linkup called **#capturingtheday** which means it's time for our second roundup!

With over 200 images tagged now, we had plenty to choose from and the already tough decision of which ones to choose got even harder!

Thank you **so** much to all those who joined in, this hashtag community would be nothing without you guys so thanks again for taking part. Even if your photo hasn't been chosen this week, we have loved seeing what you've all been up to and enjoyed each and every one of them!

**So, without further ado, here
are my 4 featured images for
this week for
#capturingtheday**

A very cheeky grin over some pizza, a precious moment with a little one and her inspirational Great-grandma, a gorgeous mummy and daughter moment after surviving their first week at school and finally, a magical little fairy stumbles upon a 'witches cottage' in the woods...

Yvonne over at Double the Monkey Business has chosen 4 stunners as well. We were so lucky to have so many wonderful photos to choose from!

Congratulations to all of you and thanks again to everyone who linked up.

Do spread the word of #capturingtheday and join in again this week!

All photos are welcome!

Baking, crafts, days out, sunsets, tantrums, well earned nights out for the parents, whatever it is you've captured during the week.

To finish, here is my favourite photo by my partner in crime for #capturingtheday, Yvonne over at [Double the Monkey Business...](#)

I loved this photo of Yvonne's twin boys with their Grandma having a snuggle. As an ex-pat family (Yvonne currently lives in Germany), precious family moments like these don't happen very much for their family which makes this all the more special.

They all look so content, it's just lovely to see.

See you all next week for our week 3 roundup!

We can't wait to see what you all get up to.
