

# [Oh My Blog \(March 2017\) – Featuring Two Hearts One Roof](#)

**Oh My Blog is a monthly interview series, where fellow bloggers come together to answer a series of questions on a specific theme. This is a chance to get acquainted with a whole range of bloggers, some of whom you may not have heard of before, and learn a little more about them!**

Each month has a theme and this month, the theme is Mums (because it's Mother's Day soon!) and I'm hosting the lovely Chantele from Two Hearts One Roof.

**1. Introduce us to your mum. What's her name? What does she do? Reveal her age if you dare!**

My Mums name is Julie, she is in her late 50's, she has done many things in the past hairdresser, beauty therapist, children's ward receptionist and now a cleaner in a special needs school.

**2. What's the one thing your mum always used to say to you?**

Count your blessings and tidy your room!

**3. Someone's playing your mum in a film. Who is it and why?**

Lol! Angelica Huston, I've always thought she looks a bit like my mum (although mum will probably kill me for saying that!) It's the hair!

**4. She's won the lottery. What's the first thing your mum buys for herself?**

A BMW Z4! She has one on lease and loves it, so she would be straight to the garage to get herself a new one. She loves driving!

**5. What embarrassing story about you does she always tell when you meet new people?**

She doesn't really tell any embarrassing stories to be honest.

**6. What are your plans for Mother's Day this year?**

Actually I will be away in California for Mother's Day this year, it's my first as a mum as my little dude was born in June. I think Mum will be having a meal out with my sister but not sure what I'll be doing, Will have to see if hubby plans anything for me

**7. What's her favourite TV show at the moment?**

Spring Watch or Great Train Journeys!

**8. What's the biggest or most important thing that your mum inspired you to do?**

She supported me and Jon when we started our business ([www.crossjonesphotography.com](http://www.crossjonesphotography.com)) .

She didn't inspire us to take the leap to launch the company but she was definitely a huge factor in us being brave enough and financially able to do it.

**9. Your round at the bar! What's your mum drinking?**

Dark Rum and Coke

**10. What's the biggest different between you and your mum?**

She's an obsessive cleaner and I'm not! Lol Jon does most the cleaning in our house.

**11. Most important question of the lot. What is your mum's stance on 50 Shades of Grey?**

**Does she love it? Hate it? Not even know what it is?**

I believe she read the first 2 chapters and thought it was crap so didn't bother with any more of it.

**12. What's your favourite memory of your mum?**

Probably the day she met her grandson, he's the first grandchild and I've never seen her so proud or besotted.

**13. What do you think your mum was like as a kid?**

She was probably a good girl I think, but probably a bit bossy.

**14. Cast your mind back a bit; what was the thing you did as a child or teenager that made your mum the angriest she has ever been with you?**

Oh tough question either moving my boyfriend in at 17 (I'm married to him now! So we were pretty serious!) or me not getting the grades I needed to get into Cardiff University the first time round (which she blamed on having said boyfriend).

**15. Finally, what's the BEST piece of advice your mum ever gave to you?**

Don't waste time on people who aren't worth it.
