

Sky Offer: Kung Fu Panda

Calling all Sky TV Customers!!

Hopefully this is of interest to you all:

I've seen that if you go onto Sky Store and select Kung Fu Panda, you can select to Buy and Keep it for FREE!

That's right, FREE!

You'll have a copy downloaded onto your Sky Box and they will send a DVD to your home address too.

This is only for Kung Fu Panda, not Kung Fu Panda 2 (this film will cost you £5.99)

It's not a scam, it's not a mistake.

Feel free to share this on with other parents...or Grown ups who love a bit of Kung Fu Panda action!
