

The Mini Knutts Q&A Session

Today I thought i'd ask my 7 year old and 5 year old some questions to see what their answers were. Here's what they said:

What does the Prime Minister do?

Mini Knutts 7: He makes the world fun.

Mini Knutts 5: He makes food.

At what age are you an adult?

Mini Knutts 7: Probably when you get married. 32?

Mini Knutts 5: I don't know what an adult is. 14?

If you could have one rule at home, what would it be?

Mini Knutts 7: Have the TV on all the time on kids TV.

Mini Knutts 5: That everything was made of cheese.

If you could fill a shopping trolley full of food, what would it contain?

Mini Knutts 7: Pork Pies

Mini Knutts 5: Cheese!!!!!!

What's the most useful thing you've learnt at school that you'll need as a grown up?

Mini Knutts 7: Maths. Because it makes you clever.

Mini Knutts 5: The water cycle.

If animals could talk, how would life be different?

Mini Knutts 7: We'd know if they needed a poo.

Mini Knutts 5: We wouldn't eat them because they would be friends.

If you were invisible for a day, what would you do?

Mini Knutts 7: Id go to the park, then to McDonald's to eat all their chicken nuggets and chips and then I'd go to the cinema without paying.

Mini Knutts 5: I'd spend the day scaring people for fun.

If you were a teacher and your class of children were being naughty, what would you do?

Mini Knutts 7: I'd put them all in detention.

Mini Knutts 5: I'd put them all in a cage and when they behaved themselves they would be allowed out one at a time.

If you could live in one place forever, where would it be?

Mini Knutts 7: Legoland

Mini Knutts 5: Legoland

Where is your favourite place to visit?

Mini Knutts 7: Legoland

Mini Knutts 5: Legoland

If you could give all the children in the world a present, what would it be?

Mini Knutts 7: Pork Pies

Mini Knutts 5: water and food

What is Daddy's favourite drink?

Mini Knutts 7: Beer

Mini Knutts 5: Beer

What is Mummy's favourite drink?

Mini Knutts 7: Coffee

Mini Knutts 5: Coke-a-cola

What does Daddy do for a job?

Mini Knutts 7: He fixes computers.

Mini Knutts 5: He plays on computers all day.

Can money make you happy:

Mini Knutts 7: ALWAYS!!

Mini Knutts 5: yes, because you can hug it.

So there we have it.

Even at the tender ages of 7 and 5, the children understand the importance of money, alcohol and caffeine.

I'd say I've bought them up pretty well on that basis...
