Facebook

Reactions...

Facebook has a new way to express yourself with its 'Facebook Reactions' button. *The Excitement!!!!*

No longer do we have the limiting option of just 'liking' a post or ignoring it, we can voice our opinions via the medium of an little expressive face (helpful for my husband who's 'I am over the moon with happiness face' also resembles his 'I am really sodding angry face'...)

So, here are a few 'extra' ones I've designed that I think Facebook should at least look at introducing...

Enjoy fellow Knutters!

WTF?!
Why would you
even share that?!

Arsehole!

You look like
you've been
Drinking!

You look nice!
(Thanks to the
help of makeup
& filters)

Huh?!

Christ! Stop with
the fake tan
already!

You're definitely
sh*t faced

Boring...
