

Deer with a Beer: Day 21

It's the end of term!!! We made it (by the elastic in our knickers). Christmas has now officially begun for us in the Knutter household.

I'm holding out hope that the kids sleep in until 10am and we stay in pjs all day watching films and scoffing popcorn. The reality of it will probably be a 6am wake up and I should think I'll have shouted at one of the kids by 6:45am...
Optimistic aren't I?!

**Here is day 21 of Deer with
a Beer.**
