

Deer with a Beer: Day 5

Day 5 of the big Christmas house and the toddler still doesn't understand how the sodding advent calendar works!!!!

Give me strength!!!

He destroyed his middle brothers one so badly he was utterly hysterical on Friday. That was fun...

By some miracle, Nanny managed to find a replacement in good old Sainsburys. It isn't a Pokemon calendar like his first one, but it has chocolate in and hasn't been tampered with by a toddler. All is well again. For now...

Here is day 5 of Deer with a Beer!

Enjoy Knutters!
