

Britmums daily photo challenge: Day 18 – Do.

Britmums daily photo challenge: Day 18 – Do.

I've been meaning to **do** some baking this week, but sick kids at home and general life chaos has meant I didn't have time. I finally got round to it today and made some mini sticky chocolate chips and banana loaves with some 'past their peak' bananas...

Super easy and almost certainly (probably a fib) one of your five a day.

#yummy (optimistic...)

#domesticgoddess (liar...)
