

My attempt at Creme Egg Cookies by Britt @ 'She who bakes'

My first attempt at Creme Egg cookies by the amazing Britt at She Who Bakes.

I didn't have any orange coloring to hand so just went with chocolate on the top and they still taste super yummy, they just don't look quite as lovely as Britts!

They're basically cookie dough covered mini creme eggs and the recipe is over on Britts blog page.

Give them a go in the run-up to Easter – they're delicious!!

I've already eaten 2... ☐☐☐
