Thomas and Friends: Episode 7922 – (Ice)Scream if you want to go Faster...

Programme synopsis:

Thomas's good friend, Percy, lands himself in a sticky situation after a disastrous accident. A Lorry crashes onto the tracks which is carrying a heavy load of ice cream and Percy ends up derauling into it, almost drowning in the process...can Thomas save him before it's too late?!

**Thomas and Friends Episode 7922:
(Ice)Scream if you want to go faster...**

NOTE: Contains mild peril.

(I could think of worse ways to go than drowning in ice cream to be honest...mind you, i'd probably manage to eat my way out of that situation quite quickly)
